

Degree Of Adjectives

Superlative Degree: This signifies the highest degree of quality among three or more nouns, generally formed by adding "-est" to the adjective or using "most" before the adjective. Example: "The Siamese cat is the cutest of all."

Underline the Superlative Degree in the following sentences:

1. The sky is the bluest it has been all week.
2. This book is the most interesting one I have ever read.
3. Her dress is the most beautiful at the event.
4. The mountains are the tallest in the region.
5. That dog is the friendliest in the neighborhood.
6. The cake was the most delicious dessert served at the party.
7. My brother is the smartest in his class.
8. This was the most engaging film I have seen this year.
9. The ocean is the vastest body of water on Earth.
10. This puzzle is the most challenging I have encountered.
