

1st grade unseen passage

"What do I love about grandpa"

Today I went to the park.

I was happy and naughty.

I played and laugh. I

jumped and had fun with

my pet. I took a ride on

the swing and fell. I got

hurt on the knee. I cried

and was under fear, thought, "Papa will scold me now". Grandpa

came and said," don't cry, I will take care. Noone will scold you. I am

here". That's what I love about grandpa.
