

1st grade unseen passage

"Why my grandmother is so special"

Silky, soft my granny looks,

She has grey hair and locks,

She looks at me and smiles,

Holds my hand she walks

miles,

She becomes a toy when I cry,

Plays with me under pink sky,

Saves me from the dark,

Takes me away from all sparks,

Her arms cuddle and sizzle, that's why My granny is so special.
