

Unseen passage worksheet for Class-5

"How is the game Among Us played?"

Among Us is a multiplayer party game where players take on one of two roles: Crewmates or Impostors. Set in a space-themed setting, the game is typically played with 4 to 15

players. At the beginning of each round, players are assigned their roles secretly. Crewmates work collaboratively to complete various tasks scattered throughout the game's map, while Impostors aim to sabotage their efforts without being detected.

The gameplay revolves around completing tasks and identifying the Impostors. Crewmates must complete all their assignments to win, while the Impostors win by eliminating enough Crewmates or causing chaos, such as sabotaging critical systems. Players can call emergency meetings to discuss suspicious behavior and vote to eject potential Impostors from the game. The social element is a crucial aspect of Among Us, as players must use deduction and communication to figure out who among them cannot be trusted.

Visuals and animations add a quirky charm to the gameplay, as players interact with the colourful environment and each other. Each game session is unique, driven by the interplay of trust, deception, and strategy. This dynamic makes Among Us not only exciting but also a platform for social interaction, laughter, and intrigue, appealing to players of various ages and gaming backgrounds. It's a game that thrives on the unpredictability of human behavior, making it a favorite for both casual and dedicated gamers alike.
